

ROYAL VICTORIAN WEEKENDER Circle Tour

Thursday February 22 through Sunday February 25, 2018

Leave Thursday February 22 6am as we head north via I-5 to the Canadian border. We'll stop a couple times along the way to grab some food, stretch legs etc as we make our way up to Canada.

Once across the border, we'll head to do some shopping at the new Tsawassen Mills and Tsawassen Commons. These two gigantic open air malls and plazas have an incredible array of shops and services, but for the hockey aficionados, two places might be of interest. The first is the Vancouver Canucks team store. All you could want from the NHL team. The next is the Pro Hockey Life store. A hockey lovers dream with merchandise, sticks, a rink to test out shooting and much much more.

Now you'll be tired after all this and feel free to grab some food at the array of food places here. We now head to the Accent Inn in Richmond by the Airport to get some rest for the following day.

Next morning, we'll grab breakfast at the Fogg N Sudds located in the parking lot so we are good to go. On to the BC Ferry in Tsawassen for the 90 minute trip to Victoria. We'll have the space upstairs in the buffet to be able to enjoy some good food and spectacular 270 degree views of the tiny and larger islands along the route.

We'll disembark the ferry and travel 25 miles or so to our home for the next couple of days, the Coast Victoria Hotel and Marina. Perhaps a hot tub or sauna or a bit of a workout at the fitness center is in order before we travel to Save On Foods Memorial Centre for game one of two vs the Victoria Royals.

Following the game, we'll head back to the hotel for some rest.

Next morning breakfast at the Blue Crab Seafood House provided and then we'll take a few hours to tour the city of Victoria perhaps you'll want to walk the seawall or check out downtown. Back to the hotel and get ready for game number two vs the Royals. After the game, a quick jaunt back to the hotel and relax.

Sunday we will hit the Blackball Ferry with a trip across open water to Port Angeles and a trip through the Olympic Peninsula as we return back to Portland.

Included in fare will be Coach travel , hotel in Richmond, breakfast in Richmond, ferry to and from Victoria, buffet on BC Ferry, 2 nights hotel in Victoria, breakfasts in Victoria, tickets for both games, snacks and bottled water.
